To The Mukinbudin Community

I am re nominating to the Shire of Mukinbudin, I have been a councillor for 10 years and feel that I bring a woman's perspective to our Shire.

I have been involved in many committees and been President of the CRC, Ladies Auxillary, and Planning and Development.

I have lived in Mukinbudin for over 33 years, raised my children here and continue to farm and run our sheep stud here.

I am a loyal and trustworthy person and feel I am approachable to all people, I have a passion to see Mukinbudin continue to develop and move forward into the future to be a good town to live during the inevitable up and down times of rural life.

Thanking You
