7. Restricted Municipal and Trust Funds
8. Operating Statement
9. Statement of Financial Position
10. Financial Ratios

12. Bank Balances & Investment Information

Schedules 2 - 14

Background Information

The new Local Government accounting requirements have been applied to this report to show a Rate Setting Statement by Nature and Type.

Unspent grants and prepayments received are identified in Note 5. "Net Current Assets" within the Statement of Financial Activity.

The NRM Grant conditions required us to recognise interest on the unspent grant.

The "Original Budget" shown is that adopted on 23 August 2022, is based on a surplus carried forward of \$1,419,072 using end of year figures at the time of estimating.

The "Actual" brought forward surplus from 2021/2022 is \$1,397,667. This is the final audited result. This is reduction to the brought forward surplus of \$21,405 from the surplus upon which the budget was based. The factors contributing to this and the detail can be seen in Note 5. of the Financial Statements.

The "Amended Budget" figures are the same as the "Original Budget" as no amendments have been entered.

In April 2022 we received advance Financial Assistant Grant payments for the 2022-2023 financial year, \$795,252 for General Purpose Funding and \$502,419 for Roads making a total advance payment of \$1,297,671.

Officer Comment

A summary of advance and current year Financial Assistant Grant payments is below;

Advance General Purpose grant paid in April 2022:	\$ 795,252
Budgeted remaining General Purpose Grant:	\$ 386,876
Total General Purpose Grant 2022-23:	\$1,182,128
Advance Roads Grant 2022-23:	\$ 502,419
Budgeted remaining Roads Grant 2022:	\$ 128,169
Total Roads Grant 2022-23:	\$ 630,588

At 30 June 2022 the end of month position is a surplus of \$1,397,667, this included the \$1,297,671 advance Financial Assistant Grant payments for the 2022-2023 financial year. Without these advance payments of \$1,297,671 the surplus brought forward would be \$99,996.

the 2021/2022 surplus is the final audited result.

At 31 December 2022 the end of month position is a surplus of \$2,021,695.

The reported variances are those to the Year To Date (YTD) "Amended Budget" at the time of writing.

Reported variations are based on the “Statement Of Financial Activity” variations rather than on the “Rate Setting Statement by Nature and Type”.

The text included in the “Budget Text and Other Information” is largely that from the “Original Budget”

The Grants Revenue report within the Statement of Financial Activity has been adjusted to include income in prior years and brought forward as a liability that was expected to be spent in the current year.

Transactions include the first round of reserve transfers including all budgeted to reserve transactions and any budgeted transfers from reserve for which the related expenditure had been incurred.

Summary

Council is asked to consider public submissions, assess relevant information and determine a recommendation to the Local Government Advisory Board following the Review of Councillor Representation for the Shire of Mukinbudin. This does not impact Mukinbudin as we removed wards in 2011.

Background Information

On the 20th September 2022 the Minister for Local Government wrote to Local Governments regarding the impending Local Government Reforms and in particular the reduction in Councillor numbers in line with the reforms, with Local Government with populations of less than 5,000 being required to have between 5–7 Councillors. In addition, Local Governments within Band 3 and 4 will no longer be able to have wards.

The Matter was considered at the November 2022 Ordinary meeting of Council and Council resolved as follows:

OFFICER RECOMMENDATION / COUNCIL RESOLUTION

Council Decision Number – 12 11 2022

Moved: Cr Ventris

Seconded: Cr Farina

That Council endorse the Review of Councillor Representation Discussion Paper and advertise for Public Submissions for a six (6) week period from 16th November 2022 and closing 4.00pm on Wednesday 4th January 2023.

Carried 5 / 0

Officer Comment

It would be potentially unreasonable for only 5 Councillors to serve on the Council, Community and Regional committees, delegations, and representations adequately and effectively. In addition, we are based in a strong farming district and reducing to only 5 Councillors would limit our ability to have diversity on the Council. If we had to reduce from 9 to 5 Councillors, we would likely end up with limited diversity on Council and therefore not be providing the diversity our community needs.

Council had resolved to undertake a Review of Councillor Representation - A discussion paper had been prepared for public comment - That Council can meet the deadline of 14th February 2023 - Council's preference to reduce Council numbers from 9 to 7 at 2023 Ordinary Election

- Review of Councillor Representation - Discussion Paper A Discussion Paper was developed and endorsed at the Ordinary Council Meeting on the 20th October 2022. This was made available to the public during the six week consultation period and covered all aspects of the review, and public submissions invited on the matter. This was available via hard copies in the Shire Office reception area, Council's Website or by contacting the Shire to seek a copy.
- Advertising of Review of Councillor Representation Council advertised that it is conducting a review from the 16th November 2022 to the 4th January 2023.

Public Notice

Review of Councillor Representation Clause 7, Schedule 22 Local Government Act 1995

The Shire of Mukinbudin is conducting a review of its system of representation and invites public participation in the review.

As the Shire does not have a ward structure, only the number of elected members will be assessed, though this does not limit the matters that the members of the community can raise in relation to the system of representation in the Shire.

This assessment will take into account the views of the community and outline any other matters that may be considered.

A Discussion paper is available outlining the current situation via Council's website, www.mukinbudin.wa.gov.au.

Public submissions are invited and must be submitted to the Shire of Mukinbudin at:

Financial Implications

Whilst Council did not Budget for the \$20,000 (twenty thousand dollars) for the total expense or the \$10,000 (ten thousand dollar) revenue contribution towards to the purchase of a new digital scoreboard by the Football Club.

Council does have some Federal Local Roads and Community Infrastructure (LRCI) funding remaining to be allocated. Given the Football clubs willingness to make a 50% contribution towards to total cost towards this project which is considered significant the Author believes this upgrade should be supported.

OFFICER RECOMMENDATION

That Council allocate \$20,000 (twenty thousand dollars) for the purchase and installation of a new digital scoreboard as quoted by AusSport.

That Council make a Budget amendment at the 2022/2023 mid-year Budget review to allow for this \$20,000 (twenty thousand dollars) to be expensed from surplus Local Roads and Community Infrastructure Funding as well as an allowance of \$10,000 (ten thousand dollars), being the financial contribution by the Mukinbudin Football Club.
