9.3.1 Caravan Park Accommodation Fee Increase – Wattoning Villa

Date:	2 nd January 2024
Disclosure of Interest:	Nil
Responsible Officer	Dirk Sellenger, Chief Executive Officer
Author:	Dirk Sellenger, Chief Executive Officer
Voting Requirements	Simple Majority
Documents Attached	Nil
Documents Tabled	Nil

Summary

The proposal requests Council to consider raising the nightly rate at Wattoning Villa to \$215.00 per night. Council previously approved a fee of \$195.00 as part of the 2023/2024 Budget, marking a \$10.00 increase per night from the 2022/2023 Financial Year.

Background Information

While there was no allocation in the 2023/2024 Council budget for capital upgrades at Wattoning Villa, a comprehensive examination of all Caravan Park accommodation types revealed certain issues, mainly superficial, that required attention to uphold the park's high accommodation standards.

These upgrades were carried out over 6-8 weeks and encompassed installing new flooring (hybrid planks and carpet), internal and external painting, installing new blinds throughout, and acquiring various small furniture items.

These enhancements have revitalized the villa, originally from the 1980s, into a modern and sleek facility. You can view before and after photos below.

Officer Comment

Considering the recent investment by the Council into Wattoning Villa, it appears fitting to reassess the nightly tariff to align with the value for money that patrons booking the facility now experience.

Consultation

Dirk Sellenger – Chief Executive Officer

Tania Sprigg – Caravan Park Manager

Lucia Scari – Senior Finance Officer

Renee Jenkin – Manager of Corporate and Community Services

Strategic & Social Implications

It's crucial for the Council to consider various elements when determining fees and charges. These encompass the community's demographics, their financial capabilities, and the level of service and standards that our Shire can offer to our community.

Statutory Environment

Local Government Act 1995

Local Government (Financial Management) Regulations 1996

Policy Implications

Financial Implications

Increasing the nightly charge will result in additional income that can be utilised by the Council to sustain the Caravan Park facilities at a superior standard.

That Council make an amendment to the 2023/2024 Fees & Charges schedule to include the new fee for Wattoning Villa per night, as follows:

Summary

To allow Council to consider a formal invitation to President Gary Shadbolt to attend the 2024 Convention in Canberra.

Background Information

The following invitation was recently received inviting Cr Gary Shadbolt to Canberra to attend the annual Local Government Convention.

THE HON CATHERINE KING MP

THE HON KRISTY McBAIN MP

Cr Gary Shadbolt

Shire of Mukinbudin
PO Box 67
MUKINBUDIN WA 6479

Dear Cr Shadbolt,

Australian Council of
Local Government

Save the date for the 2024 Australian Council of Local Government

We are writing to advise that the Australian Council of Local Government (ACLG) will be held on Friday, 5 July 2024 at the National Convention Centre in Canberra. A Gala Dinner is also planned for the evening of Thursday, 4 July 2024. The 2024 National Awards for Local Government will be announced in conjunction with the 2024 ACLG events.

We would appreciate if you could please keep these dates free to attend both events.

Last year's ACLG was a great success with 686 delegates attending, representing 296 Councils, with 201 Mayors attending. The feedback we received from our Ministerial colleagues in attendance last year was that they found the engagement with local government representatives across the Forum and Dinner extremely valuable.

The ACLG in 2024 will again bring Ministers and local governments together to discuss key issues and workshop potential solutions, especially those in which local government plays a leading role. The Commonwealth will meet the costs of the ACLG Forum and the ACLG Gala Dinner, however each attendee will need to bear the cost of their travel and accommodation.

More information regarding event registrations, forum agenda and the 2024 National Awards for Local Government will be sent out by the Department of Infrastructure, Transport, Regional Development, Communications and the Arts in due course.

For ACLG enquiries contact: ACLGInbox@infrastructure.gov.au. For NALG enquiries contact: Awards@infrastructure.gov.au.

We look forward to meeting you at the events and to the important conversations we will have.

Yours sincerely

Officer Comment

Cr Shadbolt has held a position of the Council since 2003 and the position of Shire President since 2007. At no time during this tenure has Cr Shadbolt attended the Annual Convention in Canberra and it is believed his attendance in 2024 is warranted, justified and worthy.

Summary

To allow Council extending the 2023/2024 Capital Works program to include the resealing of the majority of Shadbolt Street.

Background Information

The sealing Contractor, COLAS, will be in Mukinbudin in early March to carry out the resealing works of the Kununoppin Mukinbudin Road, SLK 0.00 to 3.74. Whilst in town sealing works will also be carried out on the southern section of Ferguson Street 0.00 to 0.110 (110mtrs).

With the need to increase Capital expenditure in the 2023/2024 year to ensure own source funding targets are met, combined by several Capital Road jobs that have come in under Budget it is recommended that resealing works in Shadbolt Street be completed in the current financial year.

Heavy vehicle traffic, often east / west Roadtrains have increased considerably in the past 18 months, this has caused an increase to the cracking of the seal in Shadbolt street. An enrichment seal or crumbed rubber seal is recommended to ensure the longevity of the running surface which upon inspection is cracking badly as photos taken recently suggest.

Above Shadbolt Street February 2024

Above Shadbolt Street 2024 – note severe surface cracking

Officer Comment

It is recommended that a total of 675mtrs be resealed with a single coat crumbed rubber 7mm seal. Working on a basis of 12mtr width average this will amount to 8,100m² at a cost of approximately \$12.00 per m² will equate to a total of \$97,000 including the necessary 7mm aggregate. This work is expected to significantly increase the running surface life in much the same way as the Wilgoyne Road was with the same treatment several years ago now.

Financial Implications

Whilst Council has not made an allowance for the resealing of Shadbolt Street in the current financial year, several savings from other Capital jobs have occurred. It is essential that Council's own source funding targets are met in 2023/2024 and it is therefore recommended that Council carry out the resealing works in Shadbolt Street and that this Budget amended be formally made when the Council carry out the Mid-Year Budget Review to be done at the March 2024 Ordinary meeting of Council.

OFFICER RECOMMENDATION

Council Decision Number – 11 02 2024

Moved: Cr Walker

Seconded: Cr Ventris

That the necessary Budget Amendment be made at the March 2024 Ordinary meeting of Council when the Mid-Year Budget review is conducted.
