GRANT FUNDING PROJECTS:

Current Successful Projects:

- Wheatbelt Development Commission - Creating Age Friendly Communities in Small Towns Project - \$53,991.25
The grant includes disabled toilets at the Lion's Park (near current facilities behind Shire) and Gym, some seating and disabled parking bays.
- Community Pool Revitalisation Program - \$32,000. Part of a Future Capital Project to have pool repainted – the same amount can be applied for again next year to ensure the project is achievable.
- CBH Grass Roots Fund – \$1,000 funding for seniors events.
- Healthway – Spring Festival. \$11,500 - This grant requires naming rights so will once again be called the Act Belong Commit Mukinbudin Spring Festival.
- Lotterywest – Sandalwood Arts & Crafts. Their hot water system has not worked for some time (quite possibly the original system) and needs replacing, plus some other extra arts requirements.
- Writing WA – funding for travel and speaker component of annual Literary Lunch \$1,400.

Applications in Progress:

- Lotterywest – Spring Festival. Planning & Development Group - funding for advertising, equipment and artist travel.
- Lotterywest – Events Equipment Kit. The District Club funding application for equipment was unsuccessful, so I will proceed with this grant. To
- Waste Authority Community Grants – a Community Garden project.
- Our Neighbourhood Community Grants – additional workshops and resources for a community garden.

Outstanding Acquittals:

- Wheatbelt Development Commission – Age Friendly Communities. Waiting for last component of the project to be completed before finalising report.

COMMUNITY PORTFOLIOS – OTHER PROJECTS

- **Mukinbudin Planning & Development Group** – a Cake Stall was held on Thursday 17 March as a fundraiser for Graeme & Sonia Watson and Forest Edge Recreation Centre with a profit of \$1,600. Combined with funds deposited in the dedicated bank account, the total donation amounts to \$6,000. We currently do not have a full executive committee, so will hold the AGM again on Thursday 28 April 2016
- **Creating Age Friendly Communities in Small Towns** – The final stage of this project should be completed by Council meeting with the installation of disabled toilets at the Shire Office and Gym.

- **Senior's Toodyay Trip** – A day trip to Toodyay has been planned for Friday 6th May. We currently have 14 people booked for the bus. Part of this trip is funded by CBH to subsidise meals.
- **Tidy Towns Workshop** – I attended this workshop in Toodyay in March to assess the advantages/disadvantages of entering the Tidy Towns competition for the coming year. As per previous years, the competition does focus a lot on sustainability and environmental concerns. The most important aspect though, is a dedicated and passionate volunteer base to push the projects. There are a few different categories and the upcoming townscape/streetscape work could perhaps be applicable.
- **Memorial Hall** – Structural Engineer, Dan Turner, has inspected the Memorial Hall for prioritising repairs and maintenance. He was not so concerned with the cracks in the building, but addressing the rising damp which should alleviate the cracking problem. Bricks that have fallen from the bottom layer are cosmetic and once the rising damp has been fixed they can be repaired by a brick layer. Dan recommended that the kitchen roof and ceiling be replaced. We will receive a formal report from Dan.
- **Familiarisation Tour** – We had 9 participants on the tour, including representatives from Sippe's Mukinbudin, Mukinbudin Café, CRC, NEWTRAVEL, Shire staff and Councillor Ventris. Participants noted the following items to be addressed:
 - 'Post Office' sign on corner Maddock St/Bent St needs to be turned to correct direction.
 - The Information Hut needs to be updated (CRC attending to this).
 - The Parenting Room at public toilets have cracked tile.
 - Caravan Park – the steps at self-contained units are inadequate (currently a layer of bricks).
 - Caravan Park – disabled toilet/showers need sliding doors.
 - The house could have an information pack on Mukinbudin.
 - The linen in the house needs replacing.
 - There is a wasp nest at front door of Caravan Park house.
 - A tree in carpark at Complex needs trimming as it blocks the security light (near entrance).
 - The tourist area with Tampu Hut/tractor/old silo is being used as a machinery parking area.
 - The area between the Tampu Hut and Shadbolt Street needs weeding/cleaning up.
 - Goodchild's Gate – unsure if lights are working, there was no battery or solar panel.
 - Wattoning Gravesite – the picnic table and seating needs repainting and weeding done around the site.
 - Bonnie Rock Horse & Pony Club – the blue directional signs are illegible.
 - Beringbooding – some directional arrows were ordered last year and I am trying to track them down for installation.
 - Three green posts at Beringbooding Rock car park have been knocked down.
 - Pope's Hill – could some seating and shade be installed?
 - A Caravan Park sign needs erecting at Lake Brown (there used to be one with the incorrect mileage).

Meetings Attended/Events Organised:

- Thursday 17th March – Tidy Towns workshop, Toodyay
- Wednesday 23rd March – meeting with CRC Coordinators
- Thursday 31st March – meeting with Megan Jones, Commonwealth Respite
- Monday 4th April – Familiarisation Tour
- Wednesday 13th April – Dan Turner, Structural Engineer

Summary

To present Council with requests from Shire Staff to defer the taking of their Long Service Leave entitlements.

Background

The Shire of Mukinbudin Council at its June 2015 Ordinary Council Meeting Item 8.4.4 Policy Manual Annual Review, adopted a new policy 4.14 on Long Service Leave.

4.14 Long Service Leave (LSL) POLICY

 - (a) at least 2 months' notice of the date from which the leave is to be taken shall be given by one party to the other unless otherwise agreed in writing between the parties;
 - (b) the employer shall not require the worker to commence the leave within 6 months of the date on which the worker became entitled to it;
 - (c) the leave taken shall be inclusive of any public holidays allowable under the worker's conditions of employment but shall not be inclusive of any annual leave;
 - (d) the leave may be granted and taken in one consecutive period or, if the worker and the employer so agree, in not more than 3 separate periods.
- (2) Subject to subregulation (1) long service leave shall be taken at the earliest practicable date.

OR

2 the rate of pay the employee was paid at the time of taking the postponed Long Service Leave. The employee's weekly wage whilst taking the postponed Long Service Leave or part Long Service Leave entitlement shall be based on the lesser of:

- 1. The average number of ordinary hours the employee has worked in the previous twelve months to the commencement or deemed commencement of the postponed Long Service Leave,

OR

- 2. the average number of ordinary hours worked at the 10 year 6 month mark for the previous 12 months.

Request for Deferral by the employer (Shire of Mukinbudin)

Where the Shire of Mukinbudin requests a staff member to defer their Long Service Leave as it is not convenient to the organisation and the employee agrees then the employee agrees with the employers request to delay taking part or all of their entitlement beyond the 10 year six month mark than the rate of pay will be the rate of pay the employee is paid at the time of taking the postponed Long Service Leave.

NB: All requests by the employee or the employer must be reported to Council in a formal agenda item approving the proposed LSL arrangement.

Reg 6A covers request for LSL on Half Pay (26 weeks)

6A. Leave on half pay

Where a worker commences a period of long service leave, the worker may, if the worker and his employer so agree in writing, be paid for each week of that period at half the rate at which he would otherwise be entitled under regulation 8 to be paid, but only half of any period of leave in respect of which the worker is so paid shall be taken into account for the purpose of ascertaining the amount of leave, if any, to which he is thereafter entitled and for the purpose of applying the formula in regulation 9(3).

Reg 6B covers Requests for LSL on Double pay (6 1/2 weeks)

6B. Leave on double pay

Where a worker commences a period of long service leave the worker may, if the worker and his or her employer so agree in writing, be paid for each week of that period at double the rate at which he or she would otherwise be entitled under regulation 8 to be paid, but double any period of leave in respect of which the worker is so paid shall be taken into account for the purpose of ascertaining the amount of leave, if any, to which the worker is thereafter entitled and for the purposes of applying the formula in regulation 9(3).

Description: Cement brick construction with a corrugated iron gable roof. Gothic arched windows.

Condition: fair / good Integrity: intact Authenticity: high degree

Historical theme: RELIGION In 1923, the Wyalkatchem Trayning Parish was established under the reverend FM Oliver. He was instrumental in the establishment of numerous Anglican churches throughout his Parish including Mukinbudin. Plans for the church were passed in February 1927, and it was ready for use in May. It was not consecrated, just licensed as a Mission Church. In 1929, Mukinbudin came under the Mission District of Nungarin, with Reverend Courtney who held weekly services at Mukinbudin. On 10 January 1951, the original church on this site was destroyed by a storm. The local people organised donations and fundraising, and the new church was constructed by local labour. It was consecrated by Archbishop Moline on 12 May 1953, and the first service held on 7 June 1953. The stained glass window at the front of the church is a memorial to the late Mrs Winsome Watkins.

Statement of significance: The site and church has significant associations with the Anglican community of Mukinbudin. It has a 'sense of place' for the special events and ceremonies that have taken place.

Comment

In view of the 4 submissions received by the Shire are all in favour of preserving the building for historic and heritage value, Council will now need to decide the future of the building. Funding for the building restoration works from municipal funds is limited. Other funding sources such as Lotterywest would need to be obtained before works could progress on the building. Council will need to consider would the expenditure of funds on the building be good or poor value for money. Does Council see the project has a High, Medium or Low Priority for allocation of Councils scarce resources.

Option 1: Council Resolve the building is at the end of its economic useful life and no longer structurally sound and demolish the building and possibly earmark the site for future CEACA housing site redevelopment, given it is in the middle of the current aged housing precinct.

(NB: Demolition would be conditional upon a Photographic Historical Record being made of the building before demolition as recommended by the Shires Municipal Inventory of Heritage places Cat 4 definition.)

Option 2: Determine the building still has significant historic and heritage value worth preserving and Shire commits future funds to undertake major capital works on the building to make it safe for future use by the public and Community groups. Determine a future use for the building.

Estimated costs

Connection of down pipes to pit	\$250-???
Install subsoil drainage system with drainage pit and 2 pumps	\$5,600-????
Reinstate walls and plaster	\$5,000-????
Check Electrical wiring	\$500
Possible replacement of electrical wiring	\$3,000-????
Install Kitchen	\$10,000-???
Install Toilet facilities	<u>\$10,000-????</u>
Total	<u>\$34.350-????</u>

Option 3: Redevelopment of Site for a Community Garden.

It should also be pointed out Council's auditor comments for 2015 included the Shire working towards reducing its operating expenses. Council may now wish to consider public submissions and the future of the building, which is located in the middle of the Shire's Aged Housing Precinct. With the CEACA project progressing, the site could be redeveloped for more Aged housing units, with the future demand identified in the CEACA Business case plans.

Option 4: Council keeps the Status Quo and retains the building and until funding can be sourced and the building repaired and restored, it is not to be used for any public purpose in view of structural safety concerns.

Mukinbudin Caravan Park April Report 2016

April 2016 is looking busy at the caravan park with RCR Water booking out 3 x S/C Units on and off until October, also water contractors with powered sites.

We had a group of "Coach Buses" arrive in Muka for the week of the Easter Weekend. The group was not as big as they thought because of the rain forecast, but the people that came enjoyed their time and the people of Muka.

Any chance soon with the next budget we can finalise the levelling of the West Side of the park as these large coach buses and sometimes large vans are too big to park because of the slope.

In the future budget 2 lights urgently need replacing. These are located in between Shannon's house and the old toilets and the other is located as you drive into the caravan park on the corner.

The BBQ over the last few years has been a problem to manage!! The Gas Regulator is failing which makes it hard to re-light the pilot light and also the hot plate is badly scratched and is hard to clean.

CEO Comment

The adoption of the 2015/16 Budget will see trees replanted around the Caravan Park and Main Street. Suitable Tree species to be identified and purchased and planted next year as past planting window as sub surface moisture dropping and warmer hot weather upon us.
