The “Amended Budget” figures in the Statement Of Final Activity have been updated with the amendments adopted on 21 March 2023.

### **Background Information**

The new Local Government accounting requirements have been applied to this report to show a Rate Setting Statement by Nature and Type.

Unspent grants and prepayments received are identified in Note 5. "Net Current Assets " within the Statement of Financial Activity.

The NRM Grant conditions required us to recognise interest on the unspent grant.

The "Original Budget" shown is that adopted on 23 August 2022, is based on a surplus carried forward of \$1,419,072 using end of year figures at the time of estimating.

The "Actual" brought forward surplus from 2021/2022 is \$1,397,667. This is the final audited result. This is reduction to the brought forward surplus of \$21,405 from the surplus upon which the budget was based. The factors contributing to this and the detail can be seen in Note 5. of the Financial Statements.

In March 2023 council adopted a number of amended budgets.

Based on the amendments adopted, which includes reduction of the brought forward surplus of \$21,405, the predicted end of year result will be a deficit of 22,169.

The Community Resource Centre (CRC) account balances have not yet been recorded in the council ledger however the bank balances are disclosed under Note 1 "Bank Balances & Investment Information"

### **Officer Comment**

Budgeted remaining Roads Grant 2022:	\$ 128,169
Total Roads Grant 2022-23:	\$ 630,588

At 30 June 2022 the end of month position is a surplus of \$1,397,667, this included the \$1,297,671 advance Financial Assistant Grant payments for the 2022-2023 financial year. Without these advance payments of \$1,297,671 the surplus brought forward would be \$99,996.

the 2021/2022 surplus is the final audited result.

At 30 April 2023 the end of month position is a surplus of \$1,209,329. This excludes CRC assets and liabilities.

The reported variances are those to the Year To Date (YTD) "Original Budget".

Reported variations are based on the “Statement Of Financial Activity” variations rather than on the “Rate Setting Statement by Nature and Type”.

Transactions include the first round of reserve transfers including all budgeted to reserve transactions and any budgeted transfers from reserve for which the related expenditure had been incurred.

Documents Tabled	Nil

### **Summary**

Council to consider and set the Members Sitting Fees and Allowances which are to be incorporated in the 2023/2024 Budget once endorsed.

### **Background Information**

The Salary and Allowances Tribunal (SAT) set a Minimum and Maximum payment amount for four (4) Bands of Local Governments within Local Government which is determined by an annual review.

The latest determination was on 6<sup>th</sup> April 2023 with the Tribunal determining that the minimum and maximum allowance amount within each band would increase by 1.5% rounded to the nearest \$5.00. This increase follows a 2.5% increase in the 22/23 year.

The Shire of Mukinbudin is deemed a Band 4 Council and will remain a band 4 Local Government until the populations exceeds 5,000 permanent residents.

### **Officer Comment**

The relevant Fees and Charges for Council Members set by SAT are detailed below.

#### **6.4 Annual Attendance Fees In lieu of Council Meeting, Committee Meeting and Prescribed Meeting Attendance Fees**

(1) The ranges of fees in Table 8 and Table 9 apply where a local government or regional local government decides by an absolute majority that, instead of paying council members an attendance fee referred to in section 5.98 of the LG Act, it will pay all council members who attend council, committee, or prescribed meetings an annual fee.

#### **Table 8: Annual attendance fees in lieu of council meeting, committee meeting and prescribed meeting attendance fees – local governments**

<b>Band</b>	<b>For a council member other than the mayor or president</b>		<b>For a council member who holds the office of mayor or president</b>	
	<b>Minimum</b>	<b>Maximum</b>	<b>Minimum</b>	<b>Maximum</b>
1	\$25,600	\$32,960	\$25,600	\$49,435
2	\$15,470	\$24,170	\$15,470	\$32,410
3	\$8,000	\$17,030	\$8,000	\$26,370
<b>4</b>	<b>\$3,735</b>	<b>\$9,890</b>	<b>\$3,735</b>	<b>\$20,325</b>

## 7.2 Annual Allowance for a Mayor, President, or Chairman

(1) The ranges of allowances in Table 10 apply where a local government sets the amount of the annual local government allowance to which a mayor or president is entitled under section 5.98(5) of the LG Act.

(2) The range of allowances in Table 11 apply where a regional local government sets the amount of the annual local government allowance to which a chairman is entitled under section 5.98(5) of the LG Act.

(3) Despite the provisions of subsection (1), the Perth City Council is to set the amount of the annual local government allowance to which the Lord Mayor is entitled within the range of \$61,509 to \$137,268.

**Table 10: Annual allowance for a mayor or president of a local government**

<b>Band</b>	<b>For a mayor or president</b>	
	<b>Minimum</b>	<b>Maximum</b>
1	\$53,330	\$93,380
2	\$16,000	\$65,915
3	\$1,070	\$38,450
<b>4</b>	<b>\$535</b>	<b>\$20,875</b>

### Current (2022/2023) Shire of Mukinbudin - Elected Members Fees and Allowances

President Allowance	\$ 10,455.00
Deputy President Allowance	\$ 2,613.75 *
Annual Attendance Fee (all 9 Members)	\$ 3,751.50

\* Deputy President Allowance is linked to 25% of President Allowance and cannot be altered by the Council.

Whilst the Tribunal has increased the fees and allowances Council is permitted to set any amount providing the maximum amount indicated in Band 4 above is not exceeded. Whilst an Officer recommendation is provided below and an allowance for a nominal 1.5% increase in all the allowances the CEO (author) is reluctant to suggest to the President and Council what they should receive in the form of an allowance and whether this be at the minimum, mid or maximum of the rate provided (Band 4) by the Salary and Allowances Tribunal.

### **5.98A. Allowance for deputy mayor or deputy president**

- (1) A local government may decide\* to pay the deputy mayor or deputy president of the local government an allowance of up to the percentage that is determined by the Salaries and Allowances Tribunal under the *Salaries and Allowances Act 1975* section 7B of the annual local government allowance to which the mayor or president is entitled under section 5.98(5).

*\* Absolute majority required.*

- (2) An allowance under subsection (1) is to be paid in addition to any amount to which the deputy mayor or deputy president is entitled under section 5.98.

*[Section 5.98A inserted: No. 64 of 1998 s. 37; amended: No. 2 of 2012 s. 15.]*

### **5.99. Annual fee for council members in lieu of fees for attending meetings**

- (b) where the local government has set a fee within the range for annual fees determined by that Tribunal under that section, that fee.

*\* Absolute majority required.*

*[Section 5.99 amended: No. 2 of 2012 s. 16.]*

### **5.99A. Allowances for council members in lieu of reimbursement of expenses**

- (1) A local government may decide\* that instead of reimbursing council members under section 5.98(2) for all of a particular type of expense it will instead pay all eligible council members —
  - (a) the annual allowance determined by the Salaries and Allowances Tribunal under the *Salaries and Allowances Act 1975* section 7B for that type of expense; or
  - (b) where the local government has set an allowance within the range determined by the Salaries and Allowances Tribunal under the *Salaries and Allowances Act 1975* section 7B for annual allowances for that type of expense, an allowance of that amount,

and only reimburse the member for expenses of that type in excess of the amount of the allowance.

*\* Absolute majority required.*

### **Officer Comment**

Total toilet rentals income for the current financial year to date total \$1,765.00inc GST. A number of the rentals have been for periods exceeding a weekend period and in some cases rental requests of up to a month have been requested which at the current rate amounts to \$2080.00 per month, by comparison the new lesser rate proposed would amount to \$990.00 per month plus \$85.00 emptying / cleaning fee if applicable upon return at the conclusion of the rental period.

The reason for the toilet was primarily for Shire staff use and rentals only ever take place when the toilet it not required by the Works Crew or for other Shire functions.

### **Summary**

Council to consider relinquishing the gravel reserve R20470 located on the Kununoppin Mukinbudin Road as shaded yellow in the diagram below:

### **Background Information**

The Road Board arranged for a gravel reserve to be created over 90 years ago and on 20<sup>th</sup> June 1930 Reserve 20470 was formally created and vested in at the time of the Board (equivalent in the day to what is in 2023 the Mukinbudin Shire Council). The Shire has a number of gravel reserves throughout the Shire, estimated between 20 and 30, many of which were created in the 1930's. Over the past ninety or so years gravel has been extracted from a number of these pits, some of these gravel reserves now have no gravel in them.

Reserve 20470 has been used at various times since its creation in 1930 and was most recently used in 2023 to provide gravel to the reconstruction of the Kununoppin Mukinbudin Road between the Nungarin North Road / Kununoppin Mukinbudin Road intersection and the

Mukinbudin Townsite. During this time the remaining useful gravel within the Reserve was exhausted and this reserve is now considered of no use or benefit to the Shire of Mukinbudin.

**Officer Comment**

The CEO and the Acting Manager of Works, Mr Bob Edwards, recently met with the adjoining land owner of gravel reserve 20470, Mr Robey Jones, concerning a number of issues with regards to the Reserve. During this meeting the CEO advised the land owner that the Reserve was no longer a viable gravel supply for the Shire of Mukinbudin and an item would be put to Council seeking the abolishment of the separate gravel reserve to transfer this from the Shire of Mukinbudin to the State of Western Australia, who would likely offer this to the adjoining landowner as they have in the past, when exhausted gravel reserves have been returned by Local Government to the State.

The Landowner requested some remedial work to the Reserve be carried out. This included the spreading of topsoil and flattening of several old scrub filled windrows to improve the appearance from the road, as well as some ripping of the Reserve against the road to allow for future planting to help create a visual barrier. This work was recently carried out and is considered ordinary gravel pit rehabilitation works.

**Summary**

To allow Council to consider a letter from a concerned REED Mukinbudin user with regards to the current operations and the inability to place her children at the centre to allow her to return to the workforce.

**Background Information**

The following letter was received on 22<sup>nd</sup> May 2023:

*Dear Gary,*

*I'm writing to you and council to express my concern over the current management of the Mukinbudin day care centre, under REED. In particular the lack of available childcare placements for both casual and permanent bookings. It is my understanding that council have no direct involvement in the day to day running of the centre, however, I thought that you would appreciate being informed of a few issues with the centre and the impact it is having on families in our community.*

*Personally, I was due to return to paid work in mid April after twelve months maternity leave and have been unable to secure childcare placements. I requested two full day bookings for two children (ages 1 and 3) for two days per week, as well as two children for after school care (ASC). They have been on the waitlist since May 2022 (to start care from mid April 2023). Being unable to secure childcare for my children has meant that I have had to take an additional year of unpaid leave. I'm unsure of the full extent of this problem (as its hard to know what the staff to child ratios are for each day) but know for sure that there are a number of families who have tried to get casual bookings this year who haven't been able to do so.*

*There are also a number of other issues that I have been brought to my attention including:*

- A number of parents have expressed their frustration with the lack of communication from REED. In particular emails taking two or more weeks to be replied to;*
- People only being offered placements until 3 pm, rather than full day placements;*

- Difficulty getting ASC placements;
- Difficulty getting additional placements to care that they currently have;
- Former part time/casual staff being given minimal hours and or their conditions/contract changing on return from maternity leave.

Some initial thoughts of solutions to help with these issues include:

- A parent working group who can help improve communication between REED management/administration and parents;
- Extensive local, regional and state wide advertising for the current REED manager position for the Mukinbudin centre along with
- A local casual and relief staff list.

*I hope that council can help advocate on behalf of parents wanting to use the centre and or currently using the centre to provide a stronger voice and help assist in finding some solutions to some of the current issues being faced. It would be wonderful to see the incredible daycare facility that we have in Mukinbudin used to its full capacity. A centre the former Boodie Rats committee along with support from council and the community worked so hard to achieve.*

*Thank you for your time.*

*Kind Regards,*

*Sally Sprigg*

### **Officer Comment**

The CEO met with REED Management, Tania Darby-Gethin, Cluster Manager, on Thursday 18<sup>th</sup> May to discuss various issues at the Mukinbudin Centre, discussion included minor building issues, high water usage concerns, current and future staffing of the facility and potential future staff housing to assist with new Centre Management which the Shire may be able to assist with.

Whilst aware of some recent staffing challenged the centre has faced, The author was unaware of the issues highlighted in the email from Sally Sprigg until the email was received earlier today (22<sup>nd</sup> May 2023).

### **Strategic & Social Implications**

The Mukinbudin Early Learning Centre was completed in 2021 and Council considers the availability of a high quality and a well-managed Early Learning Centre as essential, and of highest priority for Parents and Carers within the Mukinbudin Shire and neighbouring local governments.
