Schedules 2 - 14

The “Amended Budget” figures in the Statement Of Final Activity have been updated with the amendments adopted on 21 March 2023.

Background Information

The new Local Government accounting requirements have been applied to this report to show a Rate Setting Statement by Nature (Formally “Nature and Type”).

Unspent grants and prepayments received are identified in Note 5. “Net Current Assets “ within the Statement of Financial Activity.

The NRM Grant conditions required us to recognise interest on the unspent grant. A final report for one of the grants has been submitted.

The “Original Budget” shown is that adopted on 23 August 2022, is based on a surplus carried forward of \$1,419,072 using end of year figures at the time of estimating.

The “Actual” brought forward surplus from 2021/2022 is \$1,397,667. This is the final audited result. This is reduction to the brought forward surplus of \$21,405 from the surplus upon which the budget was based. The factors contributing to this and the detail can be seen in Note 5. of the Financial Statements.

In March 2023 council adopted a number of amended budgets.

Based on the amendments adopted, which includes reduction of the brought forward surplus of \$21,405, the predicted end of year result will be a deficit of \$22,169.

The Community Resource Centre (CRC) account balances have not yet been recorded in the council ledger however the bank balances are disclosed under Note 1 “Bank Balances & Investment Information”

Officer Comment

At 30 June 2022 the audited end of month position is a surplus of \$1,397,667, this included \$1,297,671 advance Financial Assistant Grant payments for the 2022-2023 financial year. Without these advance payments of \$1,297,671 the surplus brought forward would be \$99,996.

At the time of writing no information is available about the Financial Assistant Grant payments for the 2023-2024 financial year except that we will not be receiving an advance payment in 2022-2023.

At 31 May 2023 the end of month position is a surplus of \$ 934,860. This now includes CRC assets and liabilities.

The reported variances are those to the Year To Date (YTD) “Original Budget”.

Reported variations are based on the “Statement Of Financial Activity By Program” variations rather than on the “Statement Of Financial Activity By Nature”.

Transactions include the second round of reserve transfers including all Budget and Amended Budget to reserve transactions and any budgeted transfers from reserve for which the related expenditure had been incurred. The transfer to reserves included a \$161,646 to the CRC Reserve.

Reserve transfers with respect to Joint Venture Reserves are yet to be finalised.

Summary

To present Council with the proposed Fees & Charges for 2023/2024 for approval.

Background Information

The 2023/2024 Schedule of Fees and Charges have been reviewed and prepared by the Administration to include, but not limited to, the following changes. Generally fees and charges have been increased by an average of 5%.

Officer Comment

Each year Council is required to review the annual fees and charges which are incorporated into the Annual Budget Document. Fees and Charges for a small Wheatbelt Shire such as Mukinbudin represent a very small portion of income on a percentage basis of the total annual income.

This year the officer has taken into account the increase in demand for services and also the increase in costs such as fuel.

Consultation

Strategic & Social Implications

It is essential that all aspects are considered when Council sets the fees and charges. These include the demographic of the community, the ability to pay and the level and standard of service we as a Shire can provide to our community.

Summary

It is proposed to:

Transfer to the “Roadworks Reserve” unspent budgeted footpath Capital Expenditure and some unspent budgeted Road Maintenance and/or Road Capital Expenditure for this and future years.

Rename and repurpose the “Roadworks Reserve” to the “Transport Infrastructure Reserve” as part of the 2023-2024 budget process. The purpose of the name change is to accurately reflect the purpose and broaden the scope of the application.

Background Information

There is currently a significant underspend in transport infrastructure as summarised below.

TRANSPORT INFRASTRUCTURE BUDGET AND EXPENDITURE TO 31 MAY 2023

The balance of the Roadworks Reserve at 31 May 2023 is \$32,588 and its purpose is “To be used for the renewal, upgrade, replacement and new construction of streets, roads, bridges, footpaths and storm water drainage”.

Officer Comment

Transport Infrastructure Reserve

The purpose of the Transport Infrastructure Reserve will be:

“To fund Transport Infrastructure and associated drainage construction and maintenance works.”

Effect

When funds are transferred reserve:

- These funds become restricted for the purpose defined.
- Reduce the brought forward surplus.
- Reduce the balance in the Municipal Bank Account.

An excessive brought forward surplus caused by underspend on capital is not good as it gives a false impression of surplus operating funds.

Implementation

Reserve entries can be “Cash Backed”, which is the normal practice, or a book entry where not all the Municipal funds or reserve funds are cash backed in the Bendigo Bank account for that purpose.

In determining the amount to be transferred we have to consider that the timing and amount of the 2023-2024 FAGs Grant which is currently unknown and that rates will probably not start coming in until August/September and the possibility of having to need the banks overdraft facility.

It is therefore proposed that \$100,000 be transferred to the “Roadworks Reserve” and cash backed in 2022-2023 and that a further, possibly a book transfer, be made when a more accurate end of year result is known.

I ENGAGE THE SHIRE WITH
IT MOWER & OPERATOR HELPING OUT 2 OR 3 TIMES
A SEASON DEPENDING ON THE GROWTH OF THE GRASS.

ASSISTANCE PRIOR TO OUR

YOURS SINCERELY

STEVE PATERSON

PRESIDENT MUNINBUDIN
GOLF CLUB.**Officer Comment**

The Shire provides most sporting clubs within the Shire with support and or assistance, whether this be the sweeping of the floor of the indoor court, dragging the Hockey Oval or maintaining the Oval, a precedent for sporting assistance by the Shire was set a long time ago within the Local Government sector. Very few local governments provide no assistance to the sporting clubs within their respective Shires either directly or indirectly.

The Golf club are not seeking that the Shire become responsible for the mowing of the 18 fairways which is essential to understand. The support the Golf Club is seeking includes the Shire operator and mower 2 or 3 times per season.

The author believes this assistance is both fair and achievable within the current staffing structure and the author has made clear that he would not like to see the offer of assistance increase from the original 2 to 3 days per year in the future.
