3.2 Declaration of public question time opened (maximum 15 mins)

The Shire President declared public question time open at 2.04pm.

MDHS students provided Council with a list of questions prior to the Council Meeting, allowing Elected Members and Staff adequate time to prepare informed and detailed responses.

Question 1

Are there any plans to improve the facilities at the Bonnie Rock Horse and Pony Club, particularly the shower facilities, as they are currently in need of upgrading?

Response

The Shire adopted its new Sport & Recreation Master Plan in June this year. Following feedback from the community, the Plan identified improvements to the Bonnie Rock Pony Club as a high priority. This includes upgrades to the existing facilities and looking at options for accommodation.

The Plan identifies both the Shire and the Bonnie Rock Horse & Pony Club as potential funding partners for the project. High-priority projects are planned to be explored within the next 1–3 years.

The Shire will continue to work with the Bonnie Rock Horse & Pony Club to look for funding opportunities and ways to progress the upgrades.

Question 2

Is there an update on plans to create a viewing area near the netball and squash courts at the sporting complex? If so, when are these works expected to begin?

Response

The Shire adopted its new Sport & Recreation Master Plan in June this year. Following feedback from the community, the Plan includes two new indoor courts with compact grandstand-style seating.

The Plan also includes a number of upgrades to the Gym, Aquatic Centre, Sporting Complex and other facilities. As these upgrades are expected to cost several million dollars, we will need to secure significant grant funding. Unfortunately, there are currently no suitable funding opportunities available.

Because of this, we cannot give a definite timeframe for when the upgrades will be completed. However, it is something the Shire will continue to work towards and we will look for funding opportunities as they become available.

Question 3

What is the process for deciding when local roads and potholes need to be repaired? Are there any upcoming plans to address roads that are currently in poor condition?

Response

Each year, Council carries out a road inspection across the Shire. This helps us identify which roads need repairs or bigger upgrades. This year the Shire Road budget exceeds two million dollars.

When deciding which roads to upgrade, we look at a number of things, including how many people use the road, what type of road it is and whether it is a school bus route.

School bus routes are given a high priority because these roads are important for students travelling safely to and from school.

Potholes are repaired constantly throughout the year and anyone can report a pothole to the Shire at any time. Our Works Crew work on the Shire's roads all year round, carrying out repairs and maintenance to help keep them safe for everyone.

Question 4

The new pump track is great for younger children. Are there any plans to add facilities or features for older children and teenagers who use bikes, scooters or skateboards?

Response

Following a very persuasive presentation from Shiloh Waters in November 2025, Shire staff explored several options for establishing a designated skate park in Mukinbudin.

A significant barrier is the limited number of suitable suppliers in Western Australia. Most WA suppliers only manufacture ply-based configurations, which are not considered suitable for our climate. As a result, the Shire would need to source suitable products from interstate suppliers.

The cost of a basic, pop-up style skate park is approximately \$50,000 for materials alone. Once freight, installation and associated ground works are included, the total project cost is likely to exceed \$100,000.

Feedback received through the Sport & Recreation Master Plan process was supportive of a designated skate park and the project was therefore included in the Plan. Should suitable funding become available in the future, Council will consider progressing the project; however, there are currently no identified funding opportunities to undertake the project at this time.

Question 5

Maggie English asked whether there are any plans to provide more shade and seating along footpaths throughout the townsite to make them more comfortable during periods of extreme heat.

Response

Cr Shadbolt thanked Maggie for her suggestion and encouraged her to provide any information she has gathered to Council for consideration.

Question 6

Shiloh Waters asked whether local fundraising could assist with the construction of the skate park.

Response

Cr Shadbolt advised that fundraising efforts can greatly benefit the Shire when applying for grant funding, as they demonstrate community support and commitment to the project. He encouraged her to pursue any fundraising opportunities.

Consultation

Bob Waddell – Financial Consultant

Statutory Environment

Local Government Act 1995

Section 6.4–Specifies that a local government is to prepare such other financial reports as are prescribed.

Local Government (Financial Management) Regulations 1996:

Regulation 34 states:

- (1) A local government is to prepare each month a statement of financial activity reporting on the sources and applications of funds, as set out in the annual budget under regulation 22(1)(d) for that month in the following detail:
 - (a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);
 - (b) budget estimates to the end of month to which the statement relates;
 - (c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;
 - (d) material variances between the comparable amounts referred to in paragraphs (b) and (c);
 - (e) the net current assets at the end of the month to which the statement relates.

Sub regulations 2, 3, 4, and 5 prescribe further details of information to be included in the monthly statement of financial activity.

Policy Implications

Council is required annually to adopt a policy on what it considers to be material as far as variances that require to be reported for Council. Council adopted a policy that the material variation be set at \$11,000 and 10% for the 2025/2026 budget.

Financial Implications

If a Councillor has any questions regarding this agenda item, please contact the Manager of Corporate Services prior to the meeting, so that a researched answer may be provided.

Purpose

To consider and adopt the Municipal Fund Budget for the 2026/2027 Financial Year, together with supporting schedules, including imposition of rates and minimum payments and other consequential matters arising from the budget papers.

Background Information

The draft 2026/2027 budget has been compiled based on the principles contained in the Integrated Strategic Plan 2025-2035 and the recently adopted Strategic Resource Plan 2026-2041. The 2026/2027 draft budget has been prepared in accordance with the presentation made to Councillors at the budget workshop held on 4th August 2026.

Officer Comment

The budget has been prepared to include information required by the *Local Government Act 1995*, *Local Government (Financial Management) Regulations 1996* and *Australian Accounting Standards*. The main features of the draft budget include:

- The budget has been prepared with a 6.5% rate increase, as per the Strategic Resource Plan.
- Fees and charges have been increased by an average of 5% and were adopted at the ordinary meeting of Council, held on 19th May 2026.
- Council Member Fees & Allowances were considered at the May 2026 ordinary meeting of Council and were increased by 3.5%, in accordance with the SAT determination.
- Household and commercial waste charges are proposed to increase by 6.5%.
- A capital works program totalling \$9.48m for investment in infrastructure, land and buildings, plant & equipment and furniture & equipment is planned. The main components of this are the Community Hub Project (\$3.17m), road infrastructure renewal (\$2.57m) and replacement of plant (\$1.07m).
- An estimated surplus of \$3.02m is anticipated to be brought forward from 30th June 2026. While the actual surplus at 30th June 2026 is \$3.07m, the opening position used for the 2026/2027 budget allows for \$50,000 in unprocessed accruals. It should also be noted that the surplus position at 30th June 2026 includes an advance payment relating to the 2026/2027 Financial Assistance Grant. The surplus figure remains unaudited and may be subject to change. Any adjustments arising from the finalisation of the financial statements will be addressed as part of a future budget review.

- The draft 2026/2027 budget continues to deliver on other strategies adopted by Council and maintains a high level of service across all programs while ensuring an increased focus on roads and associated infrastructure, as well as on renewing all assets at sustainable levels.

Strategic & Social Implications

The draft 2026/2027 Annual Budget has been formed with regard to the Shire's Integrated Strategic Plan 2025-2035 and the Strategic Resource Plan 2026-2041, as adopted by Council, and is in accordance with detailed estimates of expenditure and revenue.

Consultation

While no specific consultation has occurred on the draft 2026/2027 annual budget, Community consultation and engagement has previously occurred during development of the Integrated Strategic Plan 2025-2035.

Extensive internal consultation has occurred with all business units and through briefings and workshops with Council members.

Statutory Environment

Local Government Act 1995, Local Government (Financial Management) Regulations 1996, Local Government (Administration) Regulations 1996

LGA S6.2 requires that not later than 31 August in each financial year, or such extended time as the Minister allows, each local government is to prepare and adopt, (Absolute Majority required) in the form and manner prescribed, a budget for its municipal fund for the financial year ending on the next following 30 June.

Divisions 5 and 6 of Part 6 of the *Local Government Act 1995* refer to the setting of budgets and raising of rates and charges. The *Local Government (Financial Management) Regulations 1996* details the form and content of the budget. The draft 2026/2027 budget as presented is considered to meet statutory requirements.

Section 67 of the *Waste Avoidance and Resource Recovery Act 2007* enables a local government to impose an annual charge in respect of premises provided with a waste service by the local government.

Section 7B(2) of the *Salaries and Allowances Act 1975* requires the Tribunal, at intervals of not more than 12 months, to inquire into and determine –

- the amount of fees to be paid to Council members;
- the amount of expenses to be reimbursed to Council members;
- the amount of allowances to be paid to Council members.

The Determination on Local Government Chief Executive Officers and Elected Members requires local governments to set an amount within the relevant range determined for fees, expenses or allowances.

Section 5.98 of the *Local Government Act 1995* sets out fees, expenses and reimbursements etc payable to Council members as determined by the Tribunal.

Section 5.98A of the *Local Government Act 1995* sets out allowances which may be paid to deputy Presidents or deputy Mayors up to a percentage determined by the Tribunal (Absolute Majority required).

Section 5.99 of the *Local Government Act 1995* provides a local government may pay an annual fee in lieu of fees for attending meetings, as determined by the Tribunal (Absolute Majority required).

Section 5.99A of the *Local Government Act 1995* sets out a local government may pay an annual allowance for Council members in lieu of reimbursement of expenses, as determined by the Tribunal (Absolute Majority required).

Section 5.100 of the *Local Government Act 1995* sets out fees, expenses and reimbursements payable to a committee member who is not an elected council member or employee, or an independent committee member, or an independent Audit, Risk and Improvement Committee (ARIC) Member of the local government as determined by the Tribunal.

Regulations 30, 31, 32, and 34ACA of the *Local Government (Administration) Regulations 1996* set the limits, parameters and types of allowances that can be paid to Council members.

Policy Implications

There are no known policy implications arising from this report.

Financial Implications

Specific financial implications are as outlined in the body of this report and as itemised in the draft 2026/2027 budget attached for adoption.

Summary

The purpose of this agenda item is to ensure compliance with Section 5.36(2) of the *Local Government Act 1995*, which requires local governments to have a Chief Executive Officer (CEO) or Acting CEO in place to manage the organisation's operations.

The CEO, Tanika McLennan, has requested leave from 24 August 2026 to 4 September 2026 and this item seeks Council's approval of her leave and appointing Renee Jenkin, Deputy Chief Executive Officer, as Acting CEO for this period.

Background Information

Under section 5.36(2) of the Local Government Act 1995, a local government must ensure that a Chief Executive Officer or Acting Chief Executive Officer is in place at all times to carry out the functions of the local government.

Officer Comment

Chief Executive Officer, Tanika McLennan, has requested leave from 24 August 2026 to 4 September 2026. Renee Jenkin has demonstrated the leadership, operational knowledge and capacity to assume the responsibilities of Acting CEO during this period. Her appointment will ensure effective continuity of operations and governance during the CEO's absence.

Consultation

Renee Jenkin, Deputy CEO

9.3.5 CESM Memorandum of Understanding

Documents Attached	CESM Memorandum of Understanding
Documents Tabled	Nil

Summary

The purpose of this report is to seek Council's endorsement to enter into a Memorandum of Understanding (MoU) with the Department of Fire and Emergency Services (DFES), the Shire of Mt Marshall and the Shire of Koorda for the establishment of a collaborative arrangement to deliver a shared Community Emergency Services Manager (CESM) service across the three local government areas.

The proposed MoU will formalise the governance, funding and operational arrangements for the shared position, which has been made possible through funding provided by the Department of Fire and Emergency Services (DFES).

Background Information

Following a State Government announcement in late June 2026, the Shires of Mukinbudin, Koorda and Mt Marshall were successful in securing funding through the Department of Fire and Emergency Services (DFES) for a shared Community Emergency Services Manager (CESM) position.

The CESM program is designed to strengthen emergency management capability within regional communities by providing dedicated support to local governments, volunteer emergency services and community emergency management initiatives.

Following confirmation of the funding allocation, recruitment for the position has commenced, with interviews scheduled for Friday 21st August 2026. The recruitment panel will comprise the Chief Executive Officers from each participating local government together with a representative from the Department of Fire and Emergency Services (DFES), ensuring a collaborative selection process across all participating organisations.

The proposed MOU provides a framework for cooperation between DFES and the three participating local governments. It is expressly identified as non-binding and is intended to establish a shared understanding of the respective responsibilities and commitments of the parties.

Under the proposed arrangement, the Shire of Koorda will be the employing local government and will provide the CESM with office facilities, equipment and administrative support. The CESM will provide services across the Shires of Koorda, Mukinbudin and Mt Marshall.

The MOU will commence on the date of the last signature and remain in effect for three years, with an option to extend for a further three years by mutual agreement of all parties.

The CESM will operate under the joint supervision of the designated DFES District Officer Avon and the employing Shire's Chief Executive Officer. The role will support the participating Shires and DFES across prevention, preparedness, response and recovery activities.

Officer Comment

The establishment of a shared Community Emergency Services Manager represents a significant investment in strengthening emergency management capability and community resilience across the wheatbelt.

The CESM will provide dedicated support to the Shires of Mukinbudin, Koorda and Mt Marshall by:

- Supporting and strengthening local volunteer bushfire brigades and emergency service volunteers.
- Working collaboratively with Shire staff, the Department of Fire and Emergency Services (DFES) and other emergency management stakeholders.
- Assisting with emergency management planning, mitigation, preparedness, response and recovery activities.
- Coordinating emergency management training, exercises and community education initiatives.
- Assisting local governments to meet their legislative obligations under emergency management frameworks and enhance overall organisational preparedness.

The shared service model enables participating local governments to access specialist emergency management expertise that would otherwise be difficult to resource individually, while delivering a consistent and coordinated approach across the region.

The MOU provides that the costs associated with the CESM arrangement will generally be shared:

- DFES – 60%
- Participating local governments – 40%

The 40% local government contribution is shared equally between the Shires of Koorda, Mukinbudin and Mt Marshall.

Attachment 1 to the MOU provides an indicative total annual cost of \$186,746, comprising:

- DFES contribution – \$118,783;
- Local government contribution – \$67,960; and
- Mukinbudin contribution – \$22,652.

The MOU provides for DFES to reimburse certain costs to the employing Shire, including its agreed share of employment and operational costs. Some costs, including overtime authorised by the participating Shire, remain the responsibility of the relevant local government.

The indicative figures in Attachment 1 are stated to be exclusive of GST.

It is considered that participation in this collaborative arrangement will deliver significant benefits to the Shire by enhancing support for local volunteers, improving emergency preparedness and response capability and strengthening regional cooperation in emergency management.

Strategic & Social Implications

Ben McKay - Shire of Mt Marshall

Murray McBride - DFES

Tanika McLennan – Chief Executive Officer

Renee Jenkin – Deputy Chief Executive Officer

Statutory Environment

Emergency Management Act 2005

Section 36 provides that it is a function of a local government to:

- ensure that effective local emergency management arrangements are prepared and maintained for its district;
- manage recovery following an emergency affecting the community in its district; and
- perform other functions given to the local government under the Act.

Section 41 requires a local government to ensure that local emergency management arrangements are prepared for its district. Those arrangements must address, among other matters, the roles and responsibilities of persons involved in emergency management and the coordination of emergency operations and activities and must be consistent with State emergency management policies and plans.

The proposed shared CESM arrangement supports the Shire in meeting its functions and obligations under the Emergency Management Act 2005 by providing dedicated emergency management expertise and coordination across the participating local government districts.

Bush Fires Act 1954

Section 38 of the Bush Fires Act 1954 provides for a local government to appoint Bush Fire Control Officers. The MOU requires the Shire to appoint the CESM as a Bush Fire Control Officer in accordance with section 38.

Local Government Act 1995

Section 9.49A provides for the execution of documents by a local government and requires authorisation for the affixing of the local government's Common Seal.

Policy Implications

Nil

Financial Implications

The 2026/27 Annual Budget includes an allocation of \$22,652 for the Shire of Mukinbudin's indicative contribution to the CESM arrangement.

The MOU provides for a 60% DFES and 40% local government cost sharing arrangement, with the local government contribution shared equally between the three participating Shires.

The figures contained in the MOU are indicative and exclusive of GST. Actual costs may vary in accordance with the employment costs, statutory on costs and operational expenses incurred.

OFFICER RECOMMENDATION**Council Decision Number – 14 08 2026****Moved: Cr Walker****Seconded: Cr Ventris****That Council:**

- 1. Endorses the Memorandum of Understanding between Department of Fire and Emergency Services, Shire of Koorda, Shire of Mukinbudin and the Shire of Mt Marshall for the provision of a Local Government Employed Community Emergency Services Manager (CESM), substantially in the form presented to Council;**
- 2. Notes that the MOU will commence on the date of the last signature and remain in effect for three years, with an option to extend for a further three years by mutual agreement of all parties; and**

Summary

A lease extension between the Shire of Mukinbudin and Regional Early Education and Development (REED) is presented to Council for consideration.

Background Information

The previous lease agreement between the Shire of Mukinbudin and REED expired in December 2025. A further five year lease extension is now proposed, extending the agreement through to December 2030, to enable REED to continue operating the Early Learning Centre from the premises.

Officer Comment

Discussions regarding the extension of the lease agreement commenced in late 2025 in anticipation of the previous lease expiring in December 2025. During the negotiations, REED raised concerns regarding its ability to comply with the insurance requirements contained within the existing lease agreement, including the proposed insurance stipulations for the extended term.

REED advised that the insurance requirements were not unique to the Mukinbudin agreement and that they were experiencing similar issues with a number of lease agreements held with other local governments. REED noted that several of these agreements were also subject to renegotiation in relation to the insurance provisions. As a result, the lease extension process was delayed while the insurance requirements were reviewed and negotiated between the parties.

The Shire sought legal advice from McLeods Lawyers in relation to the amendments requested to the insurance clauses to ensure the proposed provisions were appropriate and adequately protected the interests of the Shire.

Following further discussions and consideration of the legal advice received, the insurance provisions and other terms of the lease have been agreed between the parties. Both the Shire and REED are now satisfied with the terms of the proposed agreement, which provides for a further five year lease extension through to December 2030.

It is therefore recommended that Council approve the proposed lease extension with REED to enable the continued operation of the Early Learning Centre at 9 White Street, Mukinbudin.
